

Dear Camp Leaders,

Thank you for pre-registering for The Lakes Youth Camp! We are so excited to welcome our guests back for another great summer! We are continuing our theme of “Rescued” where we will learn about God as our rescuer and redeemer.

Our leader information and forms can be found on our website at [www.lakelavoncamp.com](http://www.lakelavoncamp.com). Please visit our website to find all registration forms, camp schedule (*pending*), theme nights, and packing list. All registration forms should be submitted no later than **June 25<sup>th</sup>**.

We are continually striving to improve our programs for The Lakes Youth Camp. With that being said, I am excited to announce a new addition to our camp program: **CERTS**. **CERTS** are interest-based classes that each camper will be able to participate in on days TWO, THREE, and FOUR of camp. We are providing a wide variety of class options from sports and outdoor adventure activities to art and music. **CERTS sign-ups are due no later than June 1<sup>st</sup>!**

*You are encouraged to select your **CERTS** early as they are first come, first serve.*

Each student will choose their own CERTS and will be responsible to attend those selected CERTS. With such a variety of class options, it’s important for our camp leaders to help their students choose a well-rounded selection of CERTS for their students to participate in. At the end of the week, we will be giving each student a Lake Lavon Certification in their CERT selection. Each student will leave camp with three camp CERTS. We are so excited to see how our students will grow and learn through each activity. If you have any questions regarding registration, please contact Cinnamon at [office@lakelavoncamp.com](mailto:office@lakelavoncamp.com). If you have any questions regarding CERT classes or other activities, contact [tess@lakelavoncamp.com](mailto:tess@lakelavoncamp.com).

We can’t wait to see you at summer camp and until then, God bless!
